SYDNEY EXPORT REPORT.

F. Enawen.—Wool: With the exception of about 1000 bales of fine wool and remnants of clips, which since the arrival of mail have been sent to the United Kingdom, the remainder of the season's clip has been confined to bright merino and long skin wool, which have barely maintained

England. A few parcels of unwashed have also been dis-
at a reduction of from 1d to 2d on the highest rates of the
Shearing has commenced on some stations, but it is

next month much early wool will be in the market. It is expected that there will be more washed fleece than last year, and that the quality of the wool grown in the district for resputing grass seed. The weather continues to be favourable, and generally the lambs exceed, which in a short time will, no doubt, result in a favourable return on the money invested.

The present season's springing of Tailors has been very profitable for the London markets. There have been some operations for the London markets, leading to £80 per ton, but for sort-suitable for canties, a considerable loss taken place during the month, and it is expected prices of mutton and inside fat will recede to shipping rates. This description is in excess of the colonial demand, and has driven down the price of the whole piece among the foreign buyers, who are now

* These building allotments occupy a fine, elevated, and convenient position on the Surry Hills, adjoining the property of Mr. Alderman Steel, and opposite the Royal Oak Hotel.

Plans of the above may be inspected at the Rooms.

TOWN AND COUNTRY MANUFACTURERS, PHARMACEUTISTS, or to CAPITALISTS seeking beautiful situated SUPERB RESIDENCE with extensive GROUNDS. MACHINERY, BUNNORONG, BOTANY BAY.

This splendid suburban estate, comprising 131 1/2 acres, on THE SHORES OF BOTANY BAY, is approached by a beautiful drive along the Long Bay new road, and is situated about 10 miles from Sydney, and distant about SIX MILES FROM SYDNEY. The improvements consist of BUNNORONG HOUSE, a stone-built family RESIDENCE, containing eleven rooms and kitchen, verandah, back and front, and numerous out-buildings. An orangey and an orchard of about 700 trees, a garden, a cottage of four rooms, and one of the most beautiful and fertile villages of the BUNNORONG DISTRICT, situated on the shore of the BUNNORONG LAKE, and in the highest state of cultivation. A large portion of the residue of the estate is available for garden or orchard cultivation, or for subdivision into villa sites, which will yield a profitable and healthy residence.

The most important feature of the estate is the LARGE VILLAGE OF BUNNORONG, which is a healthy and pleasant place of residence, and is situated on the shore of the BUNNORONG LAKE, and in the highest state of cultivation. A large portion of the residue of the estate is available for garden or orchard cultivation, or for subdivision into villa sites, which will yield a profitable and healthy residence.

SEASONS, through the property into the Bay, and a trifling outlay, could be made capable of working the BUNNORONG LAKE, and in the highest state of cultivation. A large portion of the residue of the estate is available for garden or orchard cultivation, or for subdivision into villa sites, which will yield a profitable and healthy residence.

THE IMPROVEMENTS on the above Stations are very extensive, and include every requisite for carrying them on with convenience.
